

Occupy Wall Street West Action Schedule for January 20, 2012

Start Time	End Time	Action Name	Action Target	Start Location	Affinity Group	Media Summary
06:00 AM		Great Vampire Squid	Goldman Sachs	555 California St	CodePink	Back in 2009 Matt Taibbi referred to Goldman Sachs as "a great vampire squid wrapped around the face of humanity, relentlessly jamming its blood funnel into anything that smells like money." In honor of SG's continued blood-sucking, we will fry up some squid in front of GS's headquarters, preventing customers from entering. So bring a small frying pan and we'll provide the squid.
06:00 AM	All Day	PsychOPS			PsychOPS	Roving flatbed of musicians playing at institutions throughout the day. And with march that starts at Bradley Manning (Justin Herman) Plaza at 5:00pm to California and Kearny then concert.
06:30 AM		Bechtel Sit-In	Bechtel Corporation	45 Beale St	Seminary of the Street AG	A group of interfaith leaders and others from Occupy Oakland, Occupy San Francisco, and other peace and justice organizations will attempt to shut Bechtel down for the day by blockading the doors. Bechtel has close ties to Washington, DC, as well as Wall Street that enable them to secure DOD contracts. Along with Lockheed Martin, Bechtel operates the Kwajalein/Ronald Reagan Ballistic Missile Test Site in the Marshall Islands, the building of which was made possible by the relocation of the islands' residents to one islet (Ebeye Island) through promises of jobs and housing that were not upheld by the US government. Ebeye Island is now one of the most densely populated places in the world, with crowded housing conditions, inadequate schools and healthcare, and scarce clean drinking water. This is just one of the situations from which Bechtel makes its profits. The corporation also led an effort to privatize water in Bolivia and is profiting from reconstruction in Iraq.

08:00 AM		ANSWER at BoA	Bank of America	Mint Plaza on 5th, btw Market and Mission	ANSWER Direct Action	Banks, and financial capital in general, spread their tentacles throughout all oppressive mechanisms of the US government. Whether its investing in the military industrial complex, to shackling countries in Africa and Latin America with high interest loans, to financing private prisons for the poor here in the US, to putting students in debt for life for an education that can't guarantee them a job, to filling the pockets of corrupt politicians, or foreclosing on families for profit, the banks have robbed billions of people of a future.

Banner display, chalk art, web making, and speak out at front entrance of the building. Chevron is part of our oil based economy: polluting, profiteering, war-mongering and tax dodging. Rise up, Speak Out, Make Them Pay, Shut Them Down
11:00 AM		Occupy CPMC	California Pacific Medical Center	Cathedral Hill Hotel at Van Ness and Geary	Occupy CPMC	OCCUPY CPMC! Healthcare and Jobs for the 99%! Protest CPMC's Corporate Greed. First Aid Tent for the 99%, street theater and more. California Pacific Medical Center (CPMC), a Sutter Health affiliate, is San Francisco's largest hospital corporation and second largest employer. Through its \$2 billion development plan, CPMC seeks to dominate San Francisco's healthcare system for decades and the billions more in profits that come with it. The negative impacts of CPMC's current development plan on the 99% include: * Cuts to community healthcare and downsizing of St. Lukes Hospital * Worsening the affordable housing crisis * Local residents and existing employees locked out of job opportunities * Union busting * Traffic gridlock for surrounding neighborhoods

11:00 AM	07:00 PM	Musicians United		Bradley Manning (Justin Herman) Plaza	Musicians United	On January 20th, 2012, Musicians United, an affinity group comprised of San Francisco musicians, will perform an all-day musical concert. From 11AM until 7PM members of Musicians United will perform their music at Bradley Manning (Justin Herman) Plaza, chosen because of Justin Herman's role in the gentrification of San Francisco through questionable eviction practices. Musicians United wishes to draw attention to a number of concerns, including cuts to music/arts education, loss of musical venues due to the foreclosure crisis, and the privatization of public spaces which hinders musicians' ability to assemble and play music, petition their government, or otherwise exercise free speech. Liberating the commons (Justin Herman Plaza) represents an effort to reclaim public space for the arts and will provide a platform for members of Musicians United to explore their concerns and exhibit their artistic expression in support of the Occupy movement.

12:00 PM		Occupy Fannie Mae	Fannie Mae	50 California St		We'll protest the role Fannie Mae played in luring homeowners into predatory loans and then foreclosing on them, as well as the thousands of empty homes Fannie Mae is sitting on—homes which could be turned into affordable rentals.

12:30 PM		Causa Justa Rally at ICE Detention Center	ICE - Immigration and Customs Enforcement	630 Sansome St	Causa Justa :: Just Cause	We will be demonstrating in front of the Immigration and Customs Enforcement Office (ICE) in the financial district of San Francisco. ICE has violated local, state and federal agreement and has detained and deported thousands of immigrants, tearing families apart, destabilizing communities while claiming "natural security". We are tired of ICE - in conjunction with big business, like Wells Fargo , GANGING UP up against our communities. Kicking us out of our homes and our communities, creating laws to further incriminate and detain us, and acting as a rogue government agency with little accountability. We are the 99% and we will not stand for ICE further terrorizing immigrant communities.

This comic, three minute scenario, identifies debt for nature/land as the supreme culprit in the banking fiasco, and presents a public policy solution. The skit will be repeated, repeatedly (many times). It would be great to have folks on hand to join in the simple but rousing chorus, "No debt for nature!" NO ARREST IS BEING SOUGHT AT THIS ACTION.

The December 12th coordinated West Coast port shutdown was initiated when the notorious shipping company, Toll Group, fired 26 port truck drivers trying organize a union. OSF Labor Solidarity Working Group will be doing an action to demand that one of its largest clients force Toll Group to end its unfair labor practices and environmental degradation at the ports!!! We will be informing consumers about the practices of the Toll Group, and consequently, Ralph Lauren as well as leading a delegation to the store manager telling him to call the corporate headquarters and demand an end to the ruthless tactics of the Toll Group. We will be taking off from Bradley Manning (Justin Herman) Plaza at 1:30pm or you can meet us at 2pm at Ralph Lauren at 90 Post Street (at Kearny). Friends and Friends of Families welcome. Come and talk to activists that have kids, families are the 99% too.
04:00 PM		Occupy Fortress Investments	Fortress Investments	1 Market St		Fortress is an example of predatory equity scams where landlords and banks buy apartment buildings with the intent of removing units from rent control or evicting rent controlled tenants and replacing them with market rent tenants. In this case, Fortress is demolishing over 1,500 rent controlled apartments at Parkmerced and has evicted hundreds of Parkmerced tenants in recent months. We'll demand that Fortress stop the demolition of rent controlled apartments at Parkmerced and we'll demand that Fortress stop evicting tenants at Parkmerced. We'll try to occupy their office and give them a demand letter (this will also be a low risk action, leaving after we give the demand letter) and if we can't get in we'll try to demolish Fortress with some props.

Hyatt, the most abusive employer in the hotel industry, is run by a single family of billionaires, the Pritzkers. 11 of the Pritzkers are on the Forbes 400 list of America's richest individuals. Hyatt is the epitome of the 1%, and was instrumental in evicting Occupy SF from Bradley Manning (Justin Herman) Plaza. For over 2 1/2 years, workers at Hyatt hotels have been fighting for fair contracts. Workers at all three San Francisco Hyatts have called for boycotts of their own hotels. On January 20th, in solidarity with Occupy Wall Street West's day of action, Hyatt workers will picket the Grand Hyatt Union Square. Don't stay at Hyatt... Occupy Hyatt!
