Thank you for your order with Other World Computing. A copy of your invoice has been sent to the e-mail address we have on file. Please use this included packing list to verify receipt of the goods ordered.

Important Information:
OWC Technical Support is available at 815-338-8685
OWC Customer Service is available at 800-275-4576

If you need to return an item to Other World Computing, an RMA (Return Merchandise Authorization) needs to first be acquired. You may request an RMA by contacting customer service at the phone number above or online at http://www.macsales.com/support/

Please save all packaging and included accessories. If you decide to return an item for refund or exchange, the complete return of the item with all original included equipment, components, manuals, packaging, software CDs, etc. is required for the RMA to be processed.

Other World Computing's full terms of service can be viewed online at www.macsales.com/tos
